## School Description

Tierra Bonita Elementary School is a culturally rich and diverse community of learners. Our students are empowered to channel their energy and vitality to become thinking, caring, responsible, and creative students, capable and eager to achieve their full potential as life-long learners. Our primary goal is to stand for, promote, and achieve educational excellence in a safe, environment. We, the conscientious, educated, and hard-working staff of Tierra Bonita Elementary School, pledge that we shall bring together a community of learners where cultural and individual differences are the building blocks of academic, social, and developmental success for our children. We also pledge that we shall create a climate and culture where adults and children honor each other, want to learn from one another, and include each other in the world of learning.

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

### TIGER Vision

Tierra Bonita Elementary School is a community of students, parents, and staff dedicated to the development of every individual's desire to learn and achieve. Collectively, we provide a safe, supportive environment that fosters curiosity, inquiry and a life-long passion for learning.

### We Believe...

- We believe collaboration and continuous dialogue promotes high achievement and academic success for all.
- We believe that each child has a unique pathway to learning. We begin where they are and facilitate their progress toward reaching their fullest potential.
- We believe open communication between staff, students and parents fosters connections critical to the success of all students.
- We believe modeling, teaching, and applying the six character traits, develops well-rounded, contributing citizens for the future.
- We believe a positive school culture and climate embraces humor and the joy of learning.
- We believe our diverse community enriches the tapestry of our school culture.

We shall attain these beliefs and goals by participating in grade-level planning sessions, by attending research based professional development, and by creating powerful partnerships with the parents of our students. Teachers use their time from Professional Development and maintaining our belief that all students can achieve. We shall implement quality educational programs by collecting, examining, analyzing, and discussing student work and test scores with colleagues and by sharing in the decision-making processes.

### Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2018-19)

Every student at Tierra Bonita Elementary has a set of textbooks for use in the classroom or to take home as necessary. This assures homework assignments can be done in a timely fashion. All instructional materials and textbooks utilized at Tierra Bonita are aligned with state content standards and are selected from the state adoption list. The district follows the state's adoption cycle in reviewing and adopting new materials and textbooks. A complete list of instructional materials and textbooks currently in use is available upon request.

### School Facility Conditions and Planned Improvements (Most Recent Year)

Tierra Bonita Elementary School maintains an environment that is conducive to every aspect of the learning process, from structural soundness of the facilities to discipline procedures. All buildings, including its classrooms, meet state building codes, providing sufficient space for students and staff. Maintenance schedules and policies established through the district are met and carried out on-site by custodians. Grounds are kept clean and safe, maintained on a daily basis, and inspected regularly by groundskeepers and maintenance workers.

Students attending Tierra Bonita Elementary School are constantly under adult supervision. Aside from the supervision of their teachers during class periods, Campus Safety Supervisors monitor students during recess and lunchtimes. In addition, the coaches are on the grounds before students arrive in the mornings and ensure bus-loading/ parent pick-up safety in the afternoons.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

2017-18 CAASPP Results for All Students						
Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	16-17	17-18	16-17	17-18	16-17	17-18
ELA	27.0	36.0	23.0	25.0	48.0	50.0
Math	27.0	28.0	14.0	14.0	37.0	38.0

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

Science	N/A	N/A	N/A	N/A	N/A	N/A

Note: Cells with N/A values do not require data.

Note: The 2016–17 and 2017–18 data are not available. The CDE is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The CAST was pilot-tested in spring 2017 and field-tested in spring 2018. The CAST will be administered operationally during the 2018–19 school year. The CAA for Science was pilot-tested for two years (i.e., 2016–17 and 2017–18) and the CAA for Science will be field-tested in 2018–19.

Note: Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated on both assessments.

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject area of physical education

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2018-19)

Contact Person Name: Christa Waldvogel Contact Person Phone Number: (661) 946-3038

The school promotes parental involvement in the educational process, offering comprehensive programs and guides for the benefit of students and parents. Both the local community and Tierra Bonita Elementary benefit greatly from their collaboration and commitment to each other. Parents and community members are encouraged to participate in organized activities. If you wish to become involved in the school's activities, or volunteer to work in a classroom.

Tierra Bonita implements family engagement activities that allow parents and community members to actively participate in the various advisory groups.

Some of these groups are:

- School Site Council (SSC)
- English Learner Advisory Committee (ELAC)
- District Advisory Committee (DAC)
- District English Learner Advisory Committee (DELAC)
- Establishing district family involvement policies and programs
- Eastside Union School District Parent Universities
- Involving families in advisory bodies and training strategies.
- Tiger Talks with administration
- Tiger Parent Workshops- Parent Education

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan**

Tierra Bonita is dedicated to a team commitment for educational excellence with a caring and motivating environment to meet the needs of an increasingly diverse and challenging world. Tierra Bonita promotes high self-confidence in its student body by creating a climate that is positive, nurturing, safe, and supportive.

With the assistance of the School Site Council, Leadership Team, Community Members, Teacher/Staff input as well as the Safety Committee, Tierra Bonita Elementary School shall assess all components of the Comprehensive School Safety Plan. Safety of students and staff is an important concern. Administrators, teachers, and campus supervisors monitor students at breaks, lunch, and before and after school. All visitors to the campus must report to the front office, sign in, and obtain a visitor's pass. This pass must be displayed at all times. The Comprehensive School Safety Plan is evaluated and revised annually. All revisions are shared immediately with staff members and school community.

The initial school safety meeting occurred on September 18, 2018, with a follow up meetings on October 9, 2018 and November 2, 2018. The last draft meeting occurred on November 2, 2018 with the final meeting on December 10, 2018. After presenting to the school community, the School Safety Plan was approved on December 10, 2018 when it was signed and approved.

**Professional Development provided for Teachers**

Leadership teams and administration at Tierra Bonita Elementary School work throughout the year on the instructional program, striving to improve upon the quality education already provided. All aspects of standard curriculum and instruction are aligned with state content standards in order to provide students with the most comprehensive educational experience possible. Teachers have been provided Professional Development focusing on Mathematics and English Language Arts. The district and school site have provided teachers the opportunity to work in district grade levels in order to collaborate on lesson studies using the latest math adoption. With our new adoption of English Language Arts, teachers are also receiving professional development for the new adoption.

Teaching concepts are bolstered by a diverse array of conferences and workshops throughout the year, after which participating teachers can share information with colleagues. Publishing houses also arrange for training when new textbooks or materials are approved to support the adoption.

### Types of Services Funded

All staff development days are carefully planned and topics are aligned to support the Common Core State Standards. Planning time is provided for teachers to review student performance of common assessments that are based on Common Core State Standards.

Site funds are available for staff to participate in off-site professional development. As a result, the school uses general staff meetings, grade level meetings, monthly workshops, and a limited number of other days to conduct professional development and staff development. Teachers are also provided monthly professional development on the newly adopted math and language arts curriculum.

### Career Technical Education Programs

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
